

Pilot Flex Zone

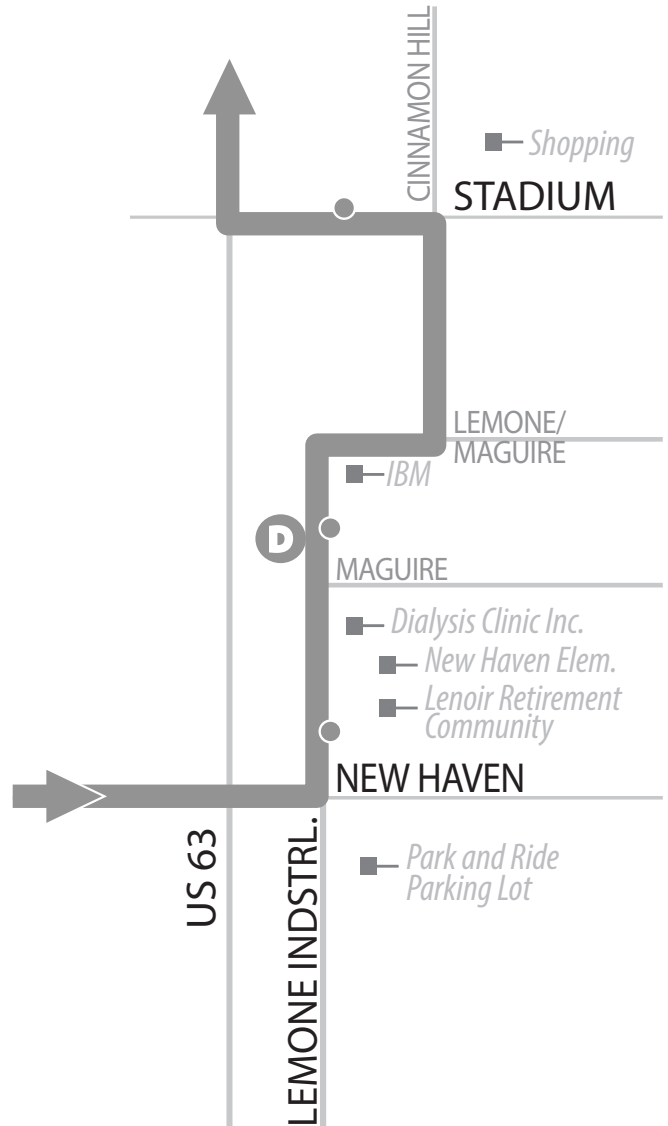

Starting October 30, 2017 the #6 Pink will be eliminated. However, we will be introducing our new FLEX route in the area of Lemone Industrial and E Stadium by Cinnamon Hill.

Here's how it works.
The bus will be in the FLEX zone during the following times:

7:00 AM to 8:00 AM and
4:00 PM to 5:00 PM.

Call (573) 874-7524 at least 24 hours before you need the ride.

You will be transported to/from the FLEX zone stops (shown in red on the map to the right) and the transfer point located at Trimble Rd. From there you can connect with the Gold or Blue routes to access the rest of the system.
